Chaplain Rick

Rick is the volunteer Chaplain for the Larimer County Sheriff's Office. Also, he is embedded with the Larimer County Regional SWAT Team as a volunteer Chaplain. He provides spiritual support as well as training support. As a member of the team (among other things), he provides Critical Incident Stress Management (CISM) for deputies and victims, he also plays the bad guy in trainings (It's not just weddings, funerals and child dedications! 😊).

Church Security

Rick has over a decade of experience in non-profit risk management. He trains security teams for churches and provides security assessments to help places of worship stay safe.

Anti-Human Trafficking

Lisa is creating sustainable income for rescued sex slaves in Eastern Europe & Eurasia. Also, Rick and Lisa assist law enforcement in local anti-trafficking efforts.

Family and friends..... After 15 years on staff at Timberline Church, Rick and Lisa have ventured out and created a new non-profit organization, Rocky Mountain Chaplain Corps, with 3 purposes: (see descriptions to the left)

1. Provide Chaplain support to first Responders
2. Consult non-profit organizations in Risk Management
3. Assist Law enforcement in anti-trafficking efforts

This is our new ministry. It is exciting and adventurous.... and scary (code word for faith). We would love your support. Your thoughts and prayers for us would greatly be appreciated. If you are able, your financial support would help us provide ministry to these underserved people. We are looking for monthly support. Feel free to spread the word about these ministries and feel free to contact us for more information.

HOW CAN YOU GIVE? (Next Page)

The Christopherson Family

You know about Rick and Lisa but what about the kids?

- Joseph: 23 years old and in Graduate school in Houston, TX (he's smarter than Lisa and Rick combined)
- Sophia: 21 years old and in cosmetology school and in a serious relationship with a man (possible wedding bells???)
- Spencer: 18 years old and he just graduated from high school and working his dream job at Cinemark Theaters (free movie tickets...YA!)
- Jesse: 14 years old and is starting high school and loves to help his mom raise chickens (we also have ducks...don't ask)

THANK YOU ALL for your support. This is Rick and Lisa's only income and you are helping them minister to an underserved demographic.
